## John Owen on Israel

Regarding the future restoration and salvation of Israel, Owen writes,

*"It is granted that there shall be a time and season, during the continuance of the kingdom of the Messiah in this world, wherein the generality of the nation of the Jews, all the world over, shall be called and effectually brought unto the knowledge of the Messiah, our Lord Jesus Christ; with which mercy they shall also receive deliverance from their captivity, restoration unto their own land, with a blessed, flourishing, and happy condition therein. The thing itself is acknowledged, as far as I can understand, by all the world that have any acquaintance with these things. Christians generally do assert it, look for it, pray for it; and have done so in all ages from the days of the apostles."*

John Owen, Commentary of Hebrews, Volume 1, p434/435.
